"The format of this golfing outing is designed to welcome the most novice golfer to participate and enjoy the experience. The format is Team Scramble which means all four golfers will tee off and then play the best tee shot, and so on all the way into the hole. The team will post one score per hole. It's a great way to enjoy a beautiful afternoon and will go a long way towards the success of this important fundraiser"

Together We Can Help

Gail's Angels Foundation

is a community-based 501c(3) non-profit organization dedicated to providing financial, emotional and educational support to women with breast cancer who have an autistic or special needs child. Gail's Angels is part of a philanthropic community. Our sole concern is the welfare of these families as the fight continues to be waged on breast cancer.

It is the mission of Gail's Angels to provide an environment that lessens stress and offers inspiration to women stricken with breast cancer that care for their autistic or special needs child. These families need a helping hand to make their lives a little easier.
